Kia ora tātou,

New housing for 36a Cottingham Crescent, Māngere

We wrote to the neighbours in November 2019 to let you know that we were removing the old existing house for the redevelopment above. Resource Consent was granted recently.

We now write to advise that the build phase of construction work for 36a Cottingham Cres will begin. We are expecting the development on this site to be reasonably straightforward and look forward to seeing the brand new houses take shape over the coming months.

36a Cottingham Crescent	
Expected Completion: Winter 2020	Planned: Houses 8x two-bedrooms 3x three-bedrooms
Architects: PENZL	
Build Partners: TDM	
RESOURCE CONSENT: Granted CONSTRUCTION: Build phase is begins soon.	Next Steps: We will be in touch when the homes are being transported onto site
