Dear Neighbour,

Update on new development at Notley Street, Westmere

Kāinga Ora wrote has previously written to you to let you know that Auckland Council had granted resource consent for the redevelopment of our land at 28 Notley Street. As someone who has an interest in this site, we wanted to let you know that construction work has begun.

Kāinga Ora has many properties where we have old homes sitting on under-utilised, large sections. Our intention is to better utilise these sections by building a greater variety of new, warm, healthy homes, designed to complement the local environment and meet the needs of today's tenants.

The redevelopment of these properties will see 3 warm, dry, modern homes. These will be made up of:

- 2 x two-bedroom homes
- 1 x three-bedroom homes

For more information on this redevelopment, please visit our website at:

https://kaingaora.govt.nz/en_NZ/urban-development-and-public-housing/public-housing/public-housing-developments/auckland-region/notley-street

We will continue to keep people updated with progress here via emails to those on the database. If you have any questions or queries about the redevelopment, please get in touch via the contact details below.

We are looking forward to seeing the brand-new housing that will start taking shape over the coming months.
