Tēnā koe,

New housing for Frankton

We are looking at delivering more public housing in your neighbourhood to help meet the need for housing in Hamilton.

The site at 226 Killarney Rd has been identified for redevelopment. Over the next few months we will be carrying out feasibility studies to determine how we may better use this land under the current zoning.

If we do develop the site, we will be building new, warm, healthy homes, designed to fit your neighbourhood, and meet the needs of today's tenants.

As neighbours we want to ensure you are kept informed about Kāinga Ora's plans. We'll provide updates on key aspects of the development once we have more detailed information to share with you. This is your community and we want to ensure we minimise potential disruption for the area, as we develop the site.

In the meantime, please contact me if you have any queries.

For more information on homes we are building through our regional housing programme, please visit www.kaingaora.govt.nz/rhp

Kind regards,

Brian Gilbert
