

4 June 2020

Thank you for your email of 8 May 2020 to Kāinga Ora – Homes and Communities requesting the following information under the Official Information Act 1982 (the Act):

How many private houses, and how many public houses, are at McLennan, and how many will there be at completion?

I have considered your request under the Act and have provided the answers to your questions in the table below.

McLennan units being built or completed as at May 2020:

Public housing units built	Private housing units built	Public housing units to be built	Private housing units to be built	Total at completion
81	411	9	101	602

Please note that public housing units are defined as properties owned by Kāinga Ora and registered Community Housing Providers (CHPs) that can be tenanted by people who are eligible for public housing. Private housing units are defined as market and affordable houses, including KiwiBuild.

Thank you again for writing.

Yours sincerely
