s9(2)(a)

Thank you for your email of 25 February 2022, requesting the following information under the Official Information Act 1982:

Would I please be able to get any information on potential developments down Highbury place in Avonside, Christchurch. I am considering selling my place down here and wondering if I should be passing on any information to potential buyers or if Kāinga Ora would potentially like to purchase my property to add to the development.

I can confirm that Kāinga Ora has no interest in purchasing your property at 20 Highbury Place, Avonside, Christchurch.

Kāinga Ora is looking at redevelopment options across many suburbs in Christchurch, potentially including Highbury Place, but at this stage does not have any confirmed development plans for this location. When developments are confirmed, they are listed on our website, found here: <https://kaingaora.govt.nz/developments-and-programmes/our-work-in-communities/planned-developments>. You can always check on this page if you are interested in any future developments in your area.

Please note that Kāinga Ora proactively releases our responses to official information requests where possible. Our response to your request may be published, with your personal information removed, at: <https://kaingaora.govt.nz/publications/official-information-requests/>

Yours sincerely
